

**Hibiscus Women's Centre** brings together services and activities in a safe and welcoming space where women can develop a sense of belonging and engage with partner agencies.

The Women's Centre offers holistic, woman-centred, language-specific support and specialist information on:

- physical and emotional wellbeing
- family issues
- legal/immigration issues
- education/training/employment
- finances /debts/benefits
- accommodation/housing
- community networks

We also signpost to other specialist agencies when necessary

## What is available:
